The draft from the Commr, Bangalore Municipality to the P-13 of the memo at PP 9-10 of... may be perused. So far as this Dept. is concerned the position stated in the draft memo overleaf holds good even now. But it appears ~~Hela may say before it is sent. But in case the Commr. of the Bangalore Municipality~~

Hela may say whether the draft memo overleaf will do. But if what the Commr wants is acceptance or rejection of the resolution with reference, it is presumed that Hela will be the appropriate Dept to pass final orders on the resolution and that they will take up the file with the information to this Dept. for further action. They will doubtless allow this Dept to see the Bill at the office before final orders are issued.
